Polasaí Úsáide Inghlactha don idirlíon – Gaelscoil Bhrian Bóroimhe

Réamhrá

Is cuid lárnach é an t-idirlíon den oideachas, cúrsaí ghnó agus caidreamh sóisialta. Is cuid den churaclam é úsáid an idirlín agus is áis thábhachtach é san oideachas. An cuspóir a bhaineann le húsáid an idirlín i nGaelscoil Bhrian Bóroimhe ná chun cur le caighdeán oideachais, le gnóthachtáil na bpáistí, mar thácaíocht d'obair phroifisiúnta na foirne scoile agus mar thácaíocht do bhainistíocht na scoile ó thaobh eolas a bhailiú agus cursaí riaracháin de.

Déanfaidh an Polasaí Úsáide Inghlactha (PUI) tagairt do chearta, pribhléidí, dualgaisí agus smachtbhannaí a bhaineann le húsáid an idirlín i nGaelscoil Bhrian Bóroimhe. Déanfar athbhreithniú rialta ar an bpolasaí seo.

Aidhmeanna

Príomhaidhm an polasaí seo ná cinntiú go bhfaigheann páistí, tuismitheoirí agus foireann na scoile deis leas a bhaint as áiseanna idirlín na scoile ar bhealach slán freagrach agus éifeachtach.

Is áis agus pribhléid é úsáid an idirlín sa scoil. Mar sin, sa chás nach gcloítear leis an bPUI bainfear an phribhléid sin agus gearrfar smachtbhannaí mar atá leagtha amach sa pholasaí.

Aon fhostaí de chuid an Bhoird Bhainistíochta/mic léinn ó na coláistí oiliúna/oibrí deonach srl a sháraíonn an PUI, déileáilfear leo le cur chuige smachtbhannaí an Bhoird Bhainistíochta agus/nó cur chuige chosaint leanaí.

Stráitéisí

Cuirfidh an scoil stráitéisí i bhfeidhm chun deiseanna foghlama a uasmhéadú agus aon bhaoil a bhaineann leis an idirlíon a íoslaghdú.

Seo a leanas na stráitéisí sin:

Bulaíocht ar-líne

Samplaí de bhulaíocht ar líne is iad, ciapadh, bladhmadh, aithrisiú, imirt cleasanna, ag déanamh eisiamh ar dhuine, cíbear-stalcaireacht nó eolas pearsanta faoi dhuine a scaipeadh. Ní ghlacfar lena leithéad d'iompar i nGaelscoil Bhrian Bóroimhe. Moltar an méid seo a leanas:

- Ní sheolfaidh daltaí teachtaireachtaí nó ní dhéanfaidh siad ráiteas ná pictiúr a phostáil ar-líne atá sé mar aidhm aige duine a scanrú, a ghortú nó a imeaglú. Sa chas go nglacfadh dalta páirt in iompar ar-líne atá mar aidhm aige duine a dhíobháil, gearrfar pionós smachta trom air/uirthí agus bainfear pribhléidí idirlín.
- Molaimid go láidir nach mbeadh aon bhaint ag páistí i ngrúpaí ar-líne a dhéanann aon tagairt don scoil.
- I gcásanna áirithe is coireacht í cíbear-bhulaíocht.
- Bí aireach go bhfuil monatóireacht a dhéanamh ar do ghníomhaíochtaí.
- Cé nach ionann eachtra amháin agus bulaíocht de ghnáth, aon eachtra aonair, mar shampla, téacs nimhneach do ghrúpa nó postáil ar-líne de ghrianghraf a d'fhéadfadh duine a ghortú, is ionann a leithéad agus bulaíocht. Is faoi gach dalta atá sé é seo a thuiscint.

- Tabharfaidh an scoil tacaíocht do dhaltaí, tuismitheoirí agus múinteoirí déileáil le heachtraí cíbear-bhulaíochta nuair a thiteann a leithéad amach. Ag teacht lenár bpolasaí frith-bhulaíochta/ Bí Cineálta, déanfaidh an scoil gach iarracht caidrimh a athbhunú agus plean a chur i bhfeidhm chun aon bhaol ghortú sa todhchaí a laghdú.
- Ba cheart go moltar do pháistí aon eachtra a d'fhéadfadh a bheith mar shampla de chíbear-bhulaíocht a phlé lena thuismitheoirí nó le múinteoir.

Ar Scoil

Níl cead ag páistí fón póca nó gléasanna cliste eile dá sórt a bheith ar siúl acu sa scoil. Má's gá do pháiste fón póca a bheith acu, caithfear é a choimead sa mhála scoile agus múchta le linn an lá scoile. Ní ceadaítear fóin póca ar thurasanna scoile nó ag imeachtaí scoile eile, ar nós ceolchoirmeacha.

Cé nach bhfuil cosc ar uaireadóirí cliste bheith ar súil ar scoil, ní cheadaítear iad a úsáid ar bhun taifeada (taifead gutha nó griangraif) nó cumarsáide agus baineann na rialacha céanna leo is a bhaineann le gléasanna cliste eile.

Déanfar maoirseacht ar pháistí agus iad ag úsáid an idirlín ar scoil.

Bainfear úsáid as scagathóirí chun íoslaghdú a dhéanamh ar an mbaol go bhfeicfeadh páistí rudaí mí-oiriúnacha ar an idirlíon. Sa chás go bhfeiceann páiste rud mí-oiriúnach ar an idirlíon ar scoil, aineoinn an scagadh, déanfar an tuismitheoir a chur ar an eolas agus déanfar teagmháil leis an PDST chun iad a chur ar an eolas faoi.

Tabharfar ainm úsáideora agus pasfhocal Google do gach páiste ó Rang 3 suas ionas gur féidir leo loggáil isteach ar leabhair Chrome agus ar Google sa bhaile agus ar scoil. Tá an duine le post freagrachta sa teicneolaíocht in ann cead a thabhairt nó a bhaint dul ar shuíomhanna faoi leith mar a oireann sé don aois ghrúpa.

Ní bheidh cead ag páistí úsáid a bhaint as ríomhaire an mhúinteora mar gheall ar chosaint sonraí.

Sa chás go bhfeicfeadh páiste rud ar an idirlíon faoina mothaíonn sé/sí mí-chompórdach ba cheart don pháiste é a rá leis an múinteoir. Sa chás sin, déanfar gach iarracht an páiste a chuir ar a shuaimhneas agus cuirfear tuismitheoirí ar an eolas. Má's gá, cuirfear cosc ar an URL sin.

Níl cead ag páistí úsáid a bhaint as fóraim idirlín nó as cluichí idirlín ina bhfuil fóram.

Úsáid an idirlín sa bhaile

Iarraimid go spreagadh tuismitheoirí úsáid sábháilte den idirlíon lasmuigh den scoil agus monatóireacht a dhéanamh ar úsáid idirín a bpáistí

Moltar dea-chleachtais ar nós úsáid scagathóirí agus am-chrioch d'úsáid an idirlín.

Ba chóir go n-úsáidfeadh páistí an t-idirlíon in áiteanna sa teach gur féidir maoirseacht a dhéanamh orthu go héasca. Ba chóir do thuistí cosc a chur ar a bpáistí uirlisí le féidireacht ceangailt leis an idirlíon a thabhairt isteach sa seomra codlata.

Internet Acceptable Use Policy – Gaelscoil Bhrian Bóroimhe

Introduction

The Internet is an essential element for education, business and social interaction. Internet use is part of the primary school curriculum and a necessary tool for education. The purpose of Internet use in Gaelscoil Bhrian Bóroimhe is to raise educational standards, to promote pupil achievement, to support the professional work of staff and to enhance the school's management, information and business administration systems.

This Acceptable Use Policy (AUP) will address all rights, privileges, responsibilities and sanctions associated with access to and use of the Internet in Gaelscoil Bhrian Bóroimhe.
The AUP will be revised regularly.

Aims

The aim of our Acceptable Use Policy is to ensure that pupils, teachers and parents will benefit from the learning opportunities offered by the school's Internet resources in a safe, responsible and effective manner.

Internet use and access is considered a school resource and privilege. Therefore, if the school AUP is not adhered to, this privilege will be withdrawn and appropriate sanctions – as outlined in the AUP - will be imposed.

Staff/People employed by the school/student teachers/volunteers etc who breach the AUP may be dealt with by the Board of Management's disciplinary procedures and/or child protection procedures.

Strategies

The school will employ a number of strategies in order to maximise learning opportunities and reduce risks associated with the Internet.
These strategies are as follows:

Cyber-Bullying

Harassing, flaming, denigrating, impersonating, outing, tricking, excluding and cyber-stalking are all examples of cyber-bullying. Such bullying will not be tolerated in Gaelscoil Bhrian Bóroimhe. We advise the following:

- Our students must not send messages or post comments or photos with the intent of scaring, hurting, or intimidating someone else. Engaging in any online activities intended to harm (physically or emotionally) another person, will result in severe disciplinary action and loss of privileges
- We strongly discourage participation in online groups that have reference to the school.
- In some cases, cyber-bullying is a crime
- Remember that your activities are monitored and retained
- Although one incident of aggravation is not usually understood as bullying, an act such as a hurtful group text or the posting of a photograph online that could cause offence **can be defined as bullying and will be treated as such**. It is the responsibility of every student to understand this.

- The school will support students, teachers and parents in dealing with cyberbullying if and when cases arise. In line with our anti-bullying/ Bí Cinealta policy, the school will seek to restore broken relationships and to put measures in place to minimise the risk of future harm.
- Children should be encouraged to talk to a parent or teacher if concerned about any incident that might constitute cyber-bullying.

In school

Children are not allowed to have mobile phones, or other smart devices, switched on in school. If a child requires a mobile phone it must remain switched off and stored in the school bag during the school day. Devices are not permitted on school tours or during other school events such as concerts.

Smart watches are permitted to be worn in school, however they must not be used to make any sort of recordings or to communicate with people. They are subject to the same rules as other smart devices.

Internet sessions will always be supervised.

Systems including filtering software will be used in order to minimise the risk of exposure to inappropriate material. In the event that a child see something inappropriate on the internet in school, despite the filtering, their parent(s) will be informed and the PDST will be contacted to

Children in 3rd class and above will be provided with Google logins so they can use Chromebooks as well as using Google at home and in school. The person with responsibility for technology in the school can enable or disable access to specific websites as appropriate for the age of the class.

Students will not have access to passwords for teaching computers for GDPR purposes. Students to not have permission to use teachers computers.

The school will monitor Internet usage.

Students and teachers are provided with training in the area of Internet safety.

Virus protection (ESET) software is used and updated on a regular basis.

The use of personal, pen drives, CD-ROMs or DVDs in school requires permission and all external software ***must be scanned with anti-virus software*** before use.

Students will observe good "netiquette" (i.e. etiquette on the Internet) at all times and will not undertake any actions that may bring the school into disrepute.

Uploading and downloading of non-approved software will not be permitted.

Smartphone voluntary opt-in policy

In 2024 the school, along with other schools in the greater Swords area, invited parents to voluntarily agree to postpone smartphone ownership for their children until after the completion of primary school. This policy was supported by a huge majority of parents and we continue to seek the support of the school community in this endeavour.

On the School Bus

It is strongly recommended that children not be permitted to use phones or other smart devices on school buses.

Children have no permission to photograph or video other students

Internet

Students n Rang 3 and above will be provided with Google accounts with the handle @gsbb.ie. It should only be used for school work, homework and project work.

Sites that the children use in school will be previewed by their teacher before use.

Students will use the Internet for educational purposes and/or as deemed appropriate by the teacher -e.g as a reward or for golden time etc.

Teachers and students will be familiar with copyright issues relating to online learning.

Students will ***never*** disclose or publicise personal information.

All Internet users in Gaelscoil Bhrian Bóroimhe should be aware that any school usage, including distributing or receiving information, school-related or personal, may be monitored.

Students and staff (including people employed by the school/contractors etc) will not visit Internet sites that contain obscene, illegal, hateful or otherwise objectionable materials.

Children should inform their teacher if they inadvertently access information that makes them in any way uncomfortable. In the unlikely event that this should happen, the children will be reassured and their parents will be notified. Also, if necessary, the offending URL will be blocked.

Websites such as; imagebank.ie photosforclass.com kiddle, duckduckgo and instagrok are advised as safe search engines that offer an alternative to google.

Email

Students in 3rd – 6th classes will have Google profiles with an email address @gsbb.ie. This profile and email account will be used for schoolwork, homework and project work only.

Students will not send or receive by any means any material that is illegal, obscene, defamatory or any material that is intended to annoy or intimidate another person.

Students will not reveal their own or other people's personal details, such as addresses, telephone numbers or pictures

Students will never arrange a meeting with someone they only know through emails or the internet.

Students will note that sending and receiving email attachments is subject to permission from their teacher.

- To parents/ guardians, for the purpose of sharing examples of work
- To other children in the class as part of shared work (group projects for example).
- For a particular reason that is permitted by the teacher and parent/guardian.

Online communication/ discussion

Students may be asked to cooperate on project work from time to time. Therefore there may be some requirement to communicate online, for example when leaving notes on a shared document.

Teachers may occasionally contact children online through the Seesaw app or school Google profile in order to share schoolwork, give feedback or clarify work.

Students will only have access to closed discussion forums or other electronic communication forums that have been approved by the school. Online communications will only ever be used for educational purposes and will be monitored in school.

Students are not permitted to use open chat forums or chat functions within online games under any circumstances.

Internet usage at home

We ask that parents encourage safe internet usage outside of the school grounds and monitor their children's online activity.

Good practice such as cut-off times for internet usage and appropriate filtering are **strongly advised.**

Internet usage should be confined to places in the home that are easily supervised. Devices that have internet connectivity should be kept out of bedrooms at all times.

Parents are advised that granting your child permission to use the internet or apps should be on condition that all access passwords are shared with parents.

Children are not permitted to create or take part in any social media groups that are in any way class or school related.

Consent

Neither parents or children are consented to share images or videos of any school events such as concerts, dramas or sporting occasion on any social media platforms.

The school may post images of children in groups of 3 or more on the school website and on the school's Twitter account (@GSBB_Sord), unless a parent or child withdraws this consent.

School Website
Pupils may be given the opportunity to publish projects, artwork and school work online with parental permission.

The publication of student work will be co-ordinated by a teacher.

Digital photographs, audio or video clips of *individual* students will not be published on the school website. Pictures that are published on the website will not include any child's name or any child wearing a name tag. Instead, photographs, audio and video clips will focus on group activities and these will be published with permission using the school's standard permission form.

Personal pupil information including name, home address and contact details will be omitted from school web pages.

Pupils will continue to own the copyright on any work published.
